Subject: Des Moines Register: Gov. Branstad, Do you care for the least among us?

I am emailing my remarks since I now understand all the spots for public speaking are taken. I was not informed as to when the signing up took place so am very frustrated. My hope is that I will be allowed to share my daughter's story.

Thank you.

Sincerely,

Deb McMahan

From Des Moines Register:

Gov. Branstad, Do you care for the least among us?

Or do you choose not to think about it because it simply does not affect you?
